Project Name: Phase II, part 1 of NRSP buildout

### Project Description:

The Phase II, part 1 build-out of the NRSP will add a multi use trail head for motorized and non motorized vehicles and also expand the rifle range area by constructing a 200 yard bench rest range. When completed the range facilities will include two rifle ranges, two pistol ranges, six trap fields and two skeet fields, range buildings with electrical service, sewer, water and toilets, walk ways and parking lots that meet ADA standards. The multi use trail head can be accessed, 24 hours a day, from the same gravel road that enters the park and contain toilet facilities, a parking lot, shelter and picnic area. It's location within the NRSP will provide indirect access to trails of regional significance by using existing county trails.
