### Location Description

The 10-foot wide paved, multi-use trail runs parallel to CSAH 77 for most of the trails route, then uses a separate trail bed along Lower Roy Lake Road turning on to Hazelwood Drive to the Nisswa Lake Park & Recreational Area where an existing paved tunnel under the highway will connect users to the Paul Bunyan State Trail in downtown Nisswa. Along this road, the current use is a mix of residential and commercial uses, all of which are suitable to co-exist with a trail. In this 4.89 mile Lake Shore & Nisswa segment, after minimal private land owner purchases, the trail will run exclusively within the road right-of-way
